There are still seats available for the ADA’s innovative “Hands-On Cadaver Workshops” at the ADA Annual Session, Oct 31–Nov 3.

The seven, three-hour cadaver workshops will be held at the Louisiana State University Health Science Center.

“The facility at LSU will allow participants and instructors to maximize all of the teaching tools available in a true clinical learning application,” said Dr. Alan W Budenz, clinical director in 2012, and the presenter of one of the workshops this year. “This is not theoretical information; it is focused on improving your daily practice of dentistry.”

The seven workshops are:

- “Crown Lengening,” by Dr. Jon Suzuki, Oct 31, 11 a.m.–2 p.m. (course 5230).
- “Soft Tissue Grafting with Autogenous and Allogenic Tissue,” by Dr. Peter Shatz, Oct. 31, 3–6 p.m. (course 2259).
- “Anatomy of the Masticatory System: Clinical Application and Dissection,” by Dr. Henry Gremillion, Nov. 1, 8:30–11:30 a.m. (course 6230).
- “Mini Dental Implants,” by Raymond Chea, Nov. 1, 1:30–5 p.m. (course 6231).
- “Cadaver Dissection of TMI and Associated Structures,” by Dr. Mark Piper, Nov. 2, 8:30–11:30 a.m. (course 7230).
- “Local Anesthesia Cadaver Dissection,” by Dr. Mel Hawkins and Dr. Alan Budenz, Nov. 2, 2–5 p.m. (course 7231).
- “Detection and Diagnosis of Oral Lesions for the General Practitioner,” by Dr. Bill Carpenter and Dr. Homer Asadi, Nov. 3, 8:30–11:30 a.m. (course 8230).

The advance registration deadline had passed at press time, but the $795 fee for a cadaver course hadn’t increased. Each course includes shuttle rides to and from LSU and light snacks.

Other hands-on workshop options at the annual session include:

- “The Ultimate Bonding Experience Workshop,” by Dr. Bud Mopper, Oct. 31, 8–10:30 a.m. (course 5209) or 2–4:30 p.m. (course 5210).
- “Cone-Beam CT and Orthodontic Collaboration for Routine and Complex Dental Care,” by Dr. Timothy Hempton, Nov. 1, 9 a.m.–1 p.m. (course 6211) or 2–6 p.m. (course 6212), $315 per person.
- “Utilizing Laser Technology in a Periodontal Environment,” by Dr. Samuel Low, Nov. 2, 8–10:30 a.m. (course 7209) or 2–4:30 p.m. (course 7210), $315 per person.

Other selected fee and free courses still have openings as well. For information or to register visit www.ada.org/session.
