Pacific Dental Conference offers 150 open sessions

Canada’s largest two-day tradeshow is March 7–9, against backdrop of Vancouver’s scenic wonders

Experience the true flavor of the West Coast and earn C.E. credits at the same time. The Pacific Dental Conference has an expert line up of local, North American and international speakers. With more than 130 presenters, 150 open sessions and 36 hands-on courses covering a variety of topics, there is something for every member of your dental team. Explore the largest two-day dental trade show in Canada (www.pdcconf.com) and have the year’s first opportunity to see the newest equipment. The spacious exhibit hall invites attendees to see innovative new techniques demonstrated on the live dentistry stage and examine products and services from more than 300 exhibiting companies with representatives who are ready to engage attendees in discussions on creating practice solutions.

After the conference, you can take a day to relax and revitalize by exploring some of the great tourist attractions in Vancouver. The ocean is steps from the Vancouver Convention Centre, and pristine snow-capped mountains offer choice spring-like skiing conditions.

International Dental Show

March 12–16

Approximately 118,000 attendees and more than 1,900 exhibitors from 55-plus countries are expected at the world’s largest trade fair for dentistry and dental technology this March in Cologne, Germany.

The International Dental Show takes place in Cologne every two years and is organized by the GFDI Gesellschaft zur Förderung der Dental-Industrie mbH and the commercial enterprise of the Association of German Dental Manufacturers (VDDI). It is staged by Cologne-based Koelnmesse GmbH. This 35th edition of the show will be March 12–16. The focus is on business and product information and the latest findings in science and research.

The entire dental industry, including all of the international market leaders, will be represented. Dental medicine and dental technology will be on display, as will equipment maintenance and infection prevention techniques.

The event will also showcase services as well as information, communication and organization tools. The broad range of products on display from around the world will give visitors the opportunity to get a comprehensive overview of the global dental industry in terms of services, product innovations and the latest trends.

Registration and ticket sales are available online at www.ids-cologne.de.
